

IB DP Chemistry: Extended Essay Planning Portfolio

Page 1: Administrative Profile & Chemistry Registry

Student Name: _____

Extended Essay Subject: Chemistry: _____

Supervisor Name: _____

Chemical Reaction/System Under Investigation: _____

Core Chemical Theory Lens (e.g., Acid-Base, Inductive Effect, Kinetics): _____

Pre-Submission Checklist

- ☐ Equipment and chemical hazards evaluated (Safety/Ethical Audit)
- ☐ Independent variable can be accurately varied and measured
- ☐ Standardized SI units used throughout
